

PRACTICE FOCUS

Tiffany Halimi is a Principal attorney and the Practice Group Leader for the firm's Estates and Trusts (West) practice group. Tiffany advises clients on trust and estate matters, drafts succession documents such as wills and trusts and administers trusts and probates. She works with high-net-worth individuals on their estate plans, which includes the preparation of revocable living trusts, irrevocable gift trusts and other sophisticated wealth transfer instruments. She routinely counsels closely held business owners on corporate matters, including family business succession planning, corporate formation and dissolution. Another area of focus for Tiffany is on the advisement of charitable foundations, including their formation, dissolution and their compliance with the strict regulations that govern non-profit entities.

Tiffany is a frequent presenter and author on the topic of estate planning and trust administration. She is the past Program Chair of the Trusts & Estates Section for the Beverly Hills Bar Association and a past Board Member of the Los Angeles Estate Planning Council.
