

PRACTICE FOCUS

D. Scott Hester Jr. is an attorney in Offit Kurman's Real Estate practice group. Mr. Hester focuses his practice on various real estate matters related to commercial and residential properties. He regularly conducts title searches and closings for purchasers and facilitates rezonings, annexations and subdivisions for land developers. He assists his corporate clients with drafting contracts, leases, deeds of trusts, promissory notes, liens, settlement agreements and the negotiation of these documents.

Mr. Hester's other areas of practice include construction law, civil litigation and business law. He has experience litigating and advising his clients on the matters regarding breach of contract, real property disputes, evictions, summary ejections and employment discrimination.
