

PRACTICE FOCUS

Niamh Drury is an associate in the firm’s Intellectual Property practice group, representing clients in the corporate, tech, e-commerce, book publishing, music, entertainment, modeling, higher education and food and beverage industries. Niamh's practice focuses on a wide range of intellectual property matters, focusing on the clearing and licensing of copyright, trademark, and name, image and likeness/ NIL rights. She also represents a broad range of clients in the registration, enforcement and defense of trademarks and copyrights.

Additionally, Niamh routinely works on mergers and acquisitions/ M&A deals and has experience in transactional real estate work as well as litigation matters involving a range of product liability and personal injury issues.
