

**PRACTICE FOCUS**

As a real estate attorney and business attorney at Offit Kurman, Bernie Denick provides strategic and comprehensive advice to domestic and foreign entities as well as their owners. His legal expertise covers a wide variety of business, transactional, real estate and generational issues. Mr. Denick has more than 40 years of experience in counseling family-owned businesses on topics such as business formation and governance, and balancing family goals with business goals. Mr. Denick has served as counsel to local quasi-governmental and nonprofit entities involved in the revitalized economic development of Baltimore and has represented foreign companies doing business in Maryland.

**POINTS OF DISTINCTION**

Mr. Denick received the highest professional (AV) rating for his work from his peers, as reported by Martindale-Hubbell.'
