## ADOPTION SERVICES ATTORNEYS

Jodi Argentino

Deborah Spivack

Offit Kurman's Family Law and Adoption Attorneys provide professional, personalized, and high-quality legal services to families and individuals who are seeking to grow their family through adoption or assisted reproductive technology. Our attorneys are passionate about helping clients understand their rights so they can make the decisions that best fit their goals in the short and long term. We work together with our clients to strategize and implement solutions through careful planning and consideration of all possible complications or obstacles.
