Experienced Counsel For Complex Family Law Issues

Our Family Law Group assists and advocates for family members whether it is in the formation of a family or for a family in transition. Our attorneys can guide you through the preparation for marriage with a prenuptial agreement or postnuptial agreement after you wed. When it comes to family transitions including separation or divorce, our attorneys expertly advise and handle the issues of custody, child support, alimony and/or property division. With our many years of interest, house or retirement benefits. We are here to help if you are experiencing domestic violence. We also assist in guardianships of a loved one when the loved one is no longer able to care for themselves.

We provide full-service support to clients growing their families by assisting with agreements for surrogacy or other assisted reproductive technology. Our team understands the legalities, search processes, and costs of adoption can be confusing and stressful and use our experience to guide clients through the process.

With Family Law attorneys in every state from New York to South Carolina, we can assist you in family law matters occurring in multiple jurisdictions simultaneously. Many of our Family Law attorneys are members of the prestigious American Academy of Matrimonial Lawyers or the International Academy of Matrimonial Lawyers.
